We hereby would like to inform you that the **10-day stay extension at no extra cost** for guests that test positive for covid-19 during their stay at our hotels in Dominican Republic, Mexico and Jamaica will now be available **until March 31st, 2022**.

This option is available at all our hotels in Dominican Republic, Mexico or Jamaica and it's offered only to guests arriving before or on March 31st, with a 3-night booking at a minimum.

In such cases, guests must be relocated to an area within the hotel that is reserved for confinement and where services have been adapted accordingly.

We appreciate your interest and commitment.

Most sincerely,
